Coventry Hospital Catholic Chaplain

Fr. Michael Stack will be stepping down this month as the Catholic Chaplain to Coventry University Hospital and St. Cross Hospital in Rugby. We give thanks to God for Fr. Michael's many years of ministry to the sick and the dying in our city hospital, offering to those in need a spiritual and pastoral care.

In an appreciation of Fr. Michael's ministry, Fr. David on behalf of Corpus Christi and St. Anne's made a presentation to him at a farewell clergy meal. Fr. Michael sends his thanks to you all.

Coming to Communion and Extraordinary Ministers of Holy Communion

Dear parishioners it has been pointed out that at times it is not clear whether the person, adult or child, coming up to the altar during Communion is coming for a blessing or to receive Holy Communion. If you are coming for a blessing can you please make it clear by placing your arm across to your shoulder, can you also make sure that any child in your care knows what to do as well please.

Dear Extraordinary Ministers, it is very important that you keep an eye on the person receiving Communion as to whether they have placed the Sacred Host into their mouth. On a number of occasions Fr. David has had to challenge people by going after them because they have walked back to their seat carrying the Sacred Host.

Dear parishioners, once you have received Holy Commun-

November, the Month of the Holy Souls

November is the Month of the Holy Souls. We are encouraged by Holy Mother Church to pray for the Faithful Departed during this time. Parents and Teachers, we are reminded we are responsible for handing on the faith to our Children. Please encourage the children in your care to pray for the Holy Souls and to teach them the prayers for the dead.

Eternal rest, grant unto them,
O Lord,
And let perpetual light
shine upon them,
May they rest in peace. Amen.

May the souls of the faithful
departed, through the mercy of God

October Head Count

Every year we are asked by the Archdiocese to take a head count of people attending Mass during the month of October, we are then asked to submit the average number.

For Corpus Christi the average number for people attending Mass during the month of October **2016** was 397, made up of 286 Adults and 111 Children. In **2015** - 361; in **2014** - 362.

For St. Anne's the average number of people attending Mass during the month of October **2016** was 126, made up of 102

The use of Black Vestments

Black signifies mourning, but not simply mourning in general, rather black directs us in a particular way to mourn and pray for the dead. While white is a colour of festivity and rejoicing, purple the colour which signifies penance for our *own* wretchedness and calls us to do penance for our *own* sins, black on the other hand helps direct us to mourn not for ourselves but for the deceased. The colour reminds us to pray for the dead. The use of black vestments is *authentically* Catholic. It is another example of our liturgy reinforcing our theology. *Lex orandi, lex credenda, as we pray, so we believe.*

Nearly every prayer in the funeral liturgy is for the forgiveness of the deceased sins'. Wearing white vestments, the colour of festivity for a Requiem Mass rather than the colour of prayerful mourning sends out a message that Purgatory is not real. Why pray for the dead or even offer Mass for the dead if you think they are already in heaven?
