Dear parishioners it has been pointed out that at times it is not clear whether the person, adult or child, coming up to the altar during Communion is coming for a blessing or to receive Holy Communion. If you are coming for a blessing can you please make it clear by placing your arm across to your shoulder, can you also make sure that any child in your care knows what to do as well please.

Dear Extraordinary Ministers, it is very important that you keep an eye on the person receiving Communion as to whether they have placed the Sacred Host into their mouth. On a number of occasions Fr. David has had to

Corpus Christi Safety Barrier

During the half-term Corpus Christi School installed a safety barrier along the footpath leading off Langbank Avenue to the entrance of the main school gate.

The barrier was installed as a Health and Safety precaution to protect the children going to and coming from school.

Anyone using Corpus Christi Carpark, especial during school term time should park in a sensible manner and not cause an obstruction. These grounds as well as serving the Church and School are home to the Caretaker and his family, to the Reverend Sisters in the Convent and to Fr. David. These people need to be able gain access to their homes at any-time.
